

Pozvánka na přednášku

# Is “socio-histoire” the new French school of history?

**Simon Paye**  
**Université de Lorraine**  
**Francie**

**Úterý 5. března 2024**  
**15.00**

**Přednáškový sál dr. Milady Paulové**  
**Katedra historie FF UP**

How did social history evolve in France  
in the last 40 years?

What are the main historical  
perspectives and how do they relate?

What is “socio-histoire” ?

Has it become the new French school  
of history?

Which heritage from “les Annales” has  
it kept?
